Overview of My Role at 7FIGURESMEDIA

Sales Intern

As a Sales Intern at 7FIGURESMEDIA, I've been instrumental in driving client acquisition and revenue growth through strategic sales initiatives. My responsibilities encompassed the complete sales cycle, from prospecting to closing deals. I collaborated with marketing, creative, and account management teams to understand client needs and deliver tailored digital marketing solutions. This integrated approach ensured our services aligned perfectly with client objectives and market demands.

Key Responsibilities

Step 1: Lead Generation & Prospecting

Actively identified and researched potential clients across industries, building a qualified pipeline through LinkedIn, cold calling, and networking events.

Step 2: Client Outreach & Engagement

Executed personalized email campaigns and social media outreach to initiate meaningful conversations with prospects.

Step 3: Solution Presentation & Pitching

Conducted compelling product demos and presentations, showcasing 7FIGURESMEDIA's digital marketing services and ROI potential.

Step 4: Deal Closure & Account Setup

Managed contract negotiations, onboarding processes, and initial campaign setup for new clients.

Major Achievements

Revenue Generation

Successfully contributed to $8,500+ in new business revenue (12% of quarterly target)

Client Acquisition

Onboarded 6 new clients across e-commerce and healthcare sectors (18% increase in client base)

Process Optimization

Implemented CRM workflow improvements that increased lead response time by 35%

Market Research

Identified 2 new potential market segments through comprehensive analysis (contributing to 15% pipeline growth)
